NOOOOO on this bill!!!!!! I have been an Oregon resident for nearly 50 years. I've raised my children here and all of my grandchildren currently attend school in Oregon. I am OUTRAGED by the lack of respect and authority give to parents of student and Leftist ideology promoted in our schools. Is it any wonder that so many citizens would love to secede from Oregon and join Idaho. Get back to teaching the basics ONLY - with NO ideology. There aren't many hills I'm willing to fight on - our children's futures are one of them. And believe me, I'm not alone,
