

Submitter: Ryan Bizeau

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3012

At a time when elections are already questioned, changing voter parameters is a bad image. Even if done appropriately, it calls into question the system that is already under a microscope. In this case we are asking kids to vote just two years early for representatives that are not currently aware exist. I do not believe that even 5% of 16 and 17 year old can name their current school board.
