

*Dear Chair Sollman, Vice-Chair Brock Smith, and Members of the Committee,*

*My name is Laura Craig, and I live in Corvallis. I am writing in support of SB 88 to make sure that advertising, legal and lobbyist fees come out of company profits, not rate payer pockets.*

*I support SB 88 because:*

*Even though I diligently conserve energy and have solar panels, my latest electricity bill was well over one hundred dollars, which is high for me.*

*I don't understand why a large corporate utility feels that it can freely charge its customers for their lobbyists, lawyers, advertising, and membership fees to big industry associations. How is this fair??*

*Where is the humanity in this behavior? Where is the concern for community?*

*Thank you in advance for your support of SB 88.*

*Sincerely,  
Laura Craig  
Corvallis, Oregon*
