

Submitter: Chris Poulsen

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3486

I am writing to express my strong support for House Bill 3486, which would provide much-needed funding to support the Oregon Institute for Marine Biology (OIMB) at the University of Oregon. OIMB is a tremendous resource that deserves state support. This funding is crucial to ensuring that OIMB can continue to advance marine research, education, and conservation efforts that benefit Oregon's coastal communities and ecosystems.
