On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3012

No on HB 3012. Until most are at least 18 years of age, they have shown to be heavily influenced by others rather than voting based on their own convictions. At 16 and 17 years of age, most are not ready to make decisions that affect the rest of our community who live independently and are tax paying individuals.
