Measure, Appointment or Topic: HB3012

I am providing testimony in support of House Bill 3012. My name is Dennis Hemken and I live in Hillsboro, Or.

My two children have often felt left out of the process in determining who represents them in decisions regarding school policies, etc. Having the ability to take part in the voting process for school board members is essential to the students feeling like they have a say in the matter.

I urge you to support HB3012
