Measure, Appointment or Topic: HB3012

Absolutely a no on this measure. Especially since our youth are not taught how to think, nut what to think. We stopped teaching civics in our schools just as I was finishing school. I saw the writing on the wall even then. This is just a back doorway to open our votes up for more cheating. Students should not be allowed to pick their administrators. That is the job of the parents. Vote no on HB 3012.
