Committee: House Committee On Rules
Measure, Appointment or Topic: HB3012

HB 3012

As an Oregon resident for 67 years I absolutely oppose this bill. A 16 year old child is not capable of making a decision on this very important topic. You realize the human brain is not completely formed to make good cognizant decisions before the age of 24?

Teenagers do not need to be a part of adult decisions. Thus is a HARD NO!!
