

Submitter: Robert Mottice

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3012

This is not okay, these children have parents who are paying taxes and those who have the right to vote(possibly. This needs to be rejected and shouldn't receive support. Opposed. This a a very bad precedent to set. Most students at this age are not informed and developed. What is next we are going to allow them to vote in normal elections? I am sorry this bad for students and families!
