

Submitter: Brenda Harper

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

HB 3103 ?? is an irresponsible bill that surmies that trees are disposable. This is false, forests are a crucial and valuable part of our wild lands, home to critical animal habitat, and should not be subject to destructive and irresponsible at-will managment . Forests are a treasure to preserve for our children's children. Vote NO. on HB 3103.
