On Behalf Of:

Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: SCR23

Dear Senator James Manning Jr., Senator Kim Thatcher, Senator Mark Meek,
Senator David Brock Smith, Senator Aaron Woods:

Please recognize my strong support for you efforts to implement SCR 23. This continues Oregon's strong support to recognize our diverse community and its history, as well as its strong cultural, educational, and economic ties to cities and countries of our world. The Cherkasy Oblast in Ukraine is a diverse area as is the State of Oregon, with agricultural and manufacturing economies.

Our federal executive governance now appears to be greatly antagonistic towards Oregon's interests and values. Please do your work to represent us and protect our values.

Sincerely,
Eric Tinus
