Committee: House Committee On Rules  
Measure, Appointment or Topic: HB3012

HB 3012 is simply ridiculous! Oregon ceases to shock meat!  
At age 16 and 17, most teenagers aren't politically mature or even up on the unbiased true implications and details of political issues.  
Knowing Oregon and pushing the "woke" agenda on these teenagers, continuing groom them the Democratic Social way. Clearly letting teenagers load up the school boards, is your plan.  
Leave the school district elections to those of voting age of 18+, the parents and tax payers.
