

Submitter: Janice Fong-Garrett

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB1098

I am writing to express my strong support for policies that safeguard access to diverse and inclusive educational materials in our schools. Book bans and restrictions on curriculum content threaten the fundamental right of students to receive a well-rounded education that fosters critical thinking, cultural awareness, and intellectual growth.

Our children deserve an education that prepares them for the future, not one that limits their understanding of the world around them.
