

Chair Frederick, Vice-Chair Weber, and members of the committee.

My name is Ashley Baker from McMinnville and I am writing to urge you to support [Senate Bill 1098](#), which will prohibit discrimination based on the race, religion, ability, country of origin, sexuality, or gender of the individuals featured in the content of educational and library materials in K-12 public schools in Oregon.

I've worked in libraries for many years. I am against book bans and support representation of diverse voices.

This bill creates a statewide standard ensuring freedom of information both to users of that information, as well as providers of that information, for example librarians and educators. It also ensures students have access to accurate and representative information about their histories, communities and selves.

Thank you for taking the time to hear my story today. I urge you to vote YES to support and advance [Senate Bill 1098](#).
