Measure, Appointment or Topic: SCR23

Dear Members of the Senate Committee on Veterans, Emergency Management,  
Federal and World Affairs.

I am writing in strong support of SCR 23, establishing a sister state relationship  
between the State of Oregon and Chersky Oblast.

Ukraine is a Democracy under attack by The Russian Oligarchy and it's dictator  
Vladimir Putin. Despite the overwhelming economic, weaponry and manpower  
disadvantages, they have been valiantly defending their country against our long-time  
adversary. Given the Trump administration's failed attempt to belittle and humiliate  
their heroic President Zelensky, We need to show our support for their defense of  
democracy and reestablish a friendship that should never have been endangered by  
President Trumps bullying behavior toward a man who every other democratic  
country respects and reveres.

I urge you to support SCR 23 and demonstrate Oregon's steadfast dedication to  
global partnerships and defense of freedom. Thank you for your leadership and for  
considering this important resolution.

Thank You
