

Submitter: Val Cooper

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I do NOT approve of any bill that puts any tax on vehicle related items which does not specify that the collected revenues go directly towards road maintenance and improvement. Further, this is a very poor time from an economic standpoint, to be imposing MORE taxes on the people of Oregon and especially an "environmental" tax! I encourage all who truly represent the voters to vote NO on this measure.
