

Submitter: Tara Pyle

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB1098

I strongly oppose SB 1098. This bill if passed will allow for the legalization of porn in school literature that is currently illegal. It is child abuse and degrades the minds of our children. It also leaves the door open for open sexual grooming in schools.

Please do the right thing and stop this nonsense. Say no to allowing "porn material" in our kids schools.

Thank you.
