Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: SB1038

I oppose this bill because it allows for the option of year-round Daylight Saving Time. Oregon should move to permanent Standard Time. Experts agree it's better for people's sleep schedules; children won't go to school in the dark; and we'll still have the same sunsets, just at a different time. It's also important to "stop the switch" for safety reasons, and to save on costs associated with making the switch.
