

Submitter: Ruppert Reinstadler

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB599

This is a bad bill from the start. Since when do business people (landlords) not have the right to ask questions of their renters? It is a basic tenet of business that you know who your clients are, whether they are trustworthy and whether they are in this country legally. Remember that coming here illegally IS A CRIME. Please oppose this bill. All this regulation if landlords just worsens the pool of homes available and drives up the price. This is a bad bill.
