

Submitter: Charles Mouradian

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

The state should focus on reducing expenses, not focus on “money-grabbing” schemes.

The state of Oregon presently taxes our personal income; the same income which is used to purchase tires for our vehicles. At the end of a tire’s life, the state of Oregon then “taxes” us to dispose of them! This is enough taxing by direct and indirect methods. “Stop the Grab”!
