

Submitter:

JASON FIELDS

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB820

This is just wrong! This only does harm in all of Oregon. There are way to many of these sex offenders walking the streets and to take away any label from a sex offender is just downright wrong! Protect our children, you can do better than to even think of this garbage. They are labeled as sex offenders and any type of sex offenders is the same.
