

Submitter:

Diana Helm

On Behalf Of:

Committee:

Joint Committee On Transportation

Measure, Appointment or Topic:

HB3362

No tax on tires!

No tax on tires!

No tax on tires!

This is a wolf in sheep's clothing. Our roads need help, but to take these funds and divert them to expanding mass transit, light rail or ANY other use except to repair our terrible roadways is deceptive at best. Please do NOT allow this bill to be passed.

Sincerely and cordially,

Diana Helm
