

Submitter: Kathleen Boylan

On Behalf Of:

Committee: House Committee On Climate, Energy, and
Environment

Measure, Appointment or Topic: HB2679

Please support and vote for HB 2679 that would add neonicotinoid insecticides to Oregon's list of restricted use pesticides and prohibit application On residential landscapes except in emergency cases.. Neonicotinoids are systemic threat to Oregon's ecosystems and economy. By passing this bill we can protect pollinators and wildlife.

Thank you,
Kathleen Boylan
