

Submitter: Mindy Holeman

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB820

Dear Sirs, by only registering limited cases of offenses you allowing them to be employed by or live near schools. That would also mean that these people would be able to hold positions in public and in churches and potentially harm others again. It is absolutely imperative that a sex offender registers as a sex offender!! For the protection of others, I oppose this bill!
