

Submitter:

Chris O'Neill

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB599

Thank you for scheduling this bill for a hearing. I urge you to support the SB599 because, in the absence of a sensible process established by Congress and signed by the President, immigrants in the US need protection. In my opinion, Oregon has taken a stand for justice and compassion by establishing in law sanctuary status for immigrants living in our state.
