

Submitter:	Justin Benson
On Behalf Of:	Sunshine Family Health
Committee:	House Committee On Behavioral Health and Health Care
Measure, Appointment or Topic:	HB3439

I am in support of this measure. I started seeing natural path doctors with in the last few years at my own expense. I have seen great improvements in my health with No need for medication, just supplements and life style changes. I hope they can start to gain the support they need to keep serving the community.
