

Submitter: Robert Sowdon
On Behalf Of:
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362
Chair and committee members

More Taxes! Not only does this Tax the citizens of Oregon, it put a burden on the business owners as they have to keep track and the records for at least five years. Then HB 3362 spreads the money received for the taxpayers to: The Tire Pollution and Rail Transit Fund, Tire pollution prevention and mitigation., Wildlife-Vehicle Collision Reduction Fund.,

Stop already we are taxed enough on items that are a safety issue!
