

Submitter: Angela Hagen

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

The State of Oregon has one of the highest tax rates in the country. It is a struggle to financially make a living here in Oregon for most families. We can not tolerate another tax that saddles us with more financial burden on an already tight budget. Taxing our tires is punishment for driving to work so we can continue to pay taxes. The state of Oregon needs to undergo a professional financial audit to see how to better utilize our tax dollars.
