Chair and Committee members,

SECTION 2. (1) A landlord may not inquire about or disclose the immigration status of an applicant, tenant or a member of a tenant or applicant's household.

SB 599 is telling the landlord to violate Federal Law by aiding and abetting if the landlord knows that a person that is renting or is living in a residence that is owned by them.

Oregon as a Sanctuary State is itself violating Federal Law.

Nothing against immigrants if they are in the Country legally, it is when they are here illegally, as they are violating our laws. What don't you understand?

Try entering any other country illegally and see what happens!
