

Submitter: Michael Brainard

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB635

Oregon State University is fully qualified to do this research. They have been so successful with research that they have spun off a business called NuScale Energy which has plans approved by the Federal Atomic Energy Commission. The units at 1/100th the size of the nuclear plants in operation today. I support this bill to research the feasibility of nuclear energy
