Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3314

Chair Helm, Chair Owens, Vice Chair McDonald, and Members of the Committee,  
I am writing to express my strong support of HB 3314 which provides critical funding  
to address harmful algal blooms (HABs) in Ross Island Lagoon. This investment is essential for protecting  
water quality, restoring critical habitat for juvenile salmon and avian species, and  
ensuring safe and sustainable recreation opportunities on the Willamette River.

I can't wait to recreate at Ross Island.

Thank you.
