

Submitter: Suzanne Giovannoni
On Behalf Of: HB3497
Committee: House Committee On Early Childhood and Human
Services
Measure, Appointment or Topic: HB3497

At 80, I can assure you the IF anyone is lucky enough, we all age. If you are not yet in your 70's, you really don't think this will happen to you. For the future of ever Oregonian, that includes yourself (thought you don't yet believe it), please support HB3497.
