

Submitter: David Westerdahl

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Please stop this tax as it will easily add \$40-100 for a set of 4 tires as a set of tires easily cost \$1-2k. Reign in spending, and make the right decision to use tax payer dollars more efficiently. Take a minute for hard reflection on what you're doing legislatively and the lasting impact on your citizens.
