RE: Support HB 3229 – Reducing Regulatory Burdens for Human Services Providers

Chair Nosse, Vice-Chair Javadi, Vice-Chair Nelson, Members of the House Committee on Behavioral Health and Health Care,

Thank you for holding a public hearing today on House Bill 3229. As a children's residential treatment facility, we have been directly impacted by the extensive processing delays this bill seeks to improve. Many of our providers only require small changes to their enrollment – such as new hires needing their employer updated – yet these minor administrative changes end up taking several months to complete. The proposed changes in House Bill 3229 to streamline this process are much needed. We thank Representative Nathanson for her dedication to this issue and we encourage your support of House Bill 3229.

Sincerely,

David Davini
Executive Director, Jasper Mountain
