

Submitter: Tobias Earley

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

My name is Tobias Earley and I live in Portland, Oregon. I support House Bill 3362.

This bill is critical to fund cleaner and more sustainable transportation options for Oregonians, such as passenger rail.

Amtrak Cascades is popular and has broken ridership records in 2023 and 2024 including me 3 times in the last 2 years.

Trains are safe and welcoming places.

Fewer cars on I-5 will save taxpayers roadway construction and maintenance costs.

A tax on tires is about providing choices and opportunities, not forcing people out of their cars.

I passionately urge your YES vote for House Bill 3362.

Thank you,
Tobias Earley
