

Submitter: J Carriveau

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB599

We urge you to drop this bill. You are asking landlords to DEFY FEDERAL LAW. You cannot require a citizen of Oregon to defy federal law, in order to support illegals in this state. The vast majority of the citizens of Oregon will NOT defy federal law to accommodate someone who is already defying federal law by being in this county illegally.
