

Submitter: joe hovey

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB821

As a resident of Portland, OR - why are we even having this discussion? I am in total opposition to this Bill. We should be taking definite steps to be making the children of Oregon safer and we need to be adhering to deadlines. There are no excuses for not meeting these dates! We need to hold sex offenders accountable.
