Measure, Appointment or SB5521
Topic:

Please vote yes to support SB5521, this important bill continues the work to support our public lands. The Private Forest Accord guarantees protections to natural spaces. A key part of the agreement calls for the state of Oregon to get a federally approved Habitat Conservation Plan across more than 10 million acres of private forestlands. However, without a federally approved Private Forest Accord Habitat Conservation Plan, Oregon will rollback to outdated standards.

Please support this bill to secure a federally approved Private Forest Accord Habitat Conservation Plan (HCP). Thank you.
