

Submitter: Scott Shurtleff

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB2949

Risk bonding could be a useful method for Oregon and municipalities to require corporations to fully insure their operations in the event of an accident or disaster. The study required by HB 2949 is an important step towards empowering State and local entities to adopt risk bonding for any bulk storage facilities. Please pass HB 2949 out of committee with a 'Do Pass' recommendation.
