

Submitter: Elianna Gnoffo

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB979

As a disabled student, I would greatly appreciate this bill being supported. Oregon is already a haven to so many disabled people, and with the effects of long covid, more people are going to become disabled. Everyone deserves the right to an education, especially now with the intrepid condition of disabled rights and the Department of Education. Let Oregon remain a haven for those who are sidelined. Disabled rights are rights for all.
