

Submitter: Robin Lee  
On Behalf Of: myself  
Committee: Senate Committee On Energy and Environment  
Measure, Appointment or Topic: SB216

I support SB 215 because wind and solar won't be enough. Many people are afraid of nuclear energy. Much of the fear is over old information, some which were lies to begin with!

This bill is written without a so-called emergency clause. This is good. Even better is that the authors direct that it goes to our ballot. The discussion of Nuclear Energy must see daylight. VOTE YES. Let's get it to the ballot.
