

Submitter: Jordan Lewis

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3314

Please please please support this!!! \$1m to substantially clean the willamette is a STEAL... Ross Island was never meant to be a lagoon and the river suffers for it. Imagine the social and economic returns we would see if we could remove algal blooms from the river. I think this is a no brainer, future generations will thank you for it.
