

Submitter: Mary Moomaw

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB821

Writing in Opposition to SB 821: All sex offenders living in the state of Oregon must be risk-leveled. As a mother and lifelong Oregonian, it sickens me that our government will allow predatory individuals to live amongst our children without it being public knowledge and that sex offenders will be excused of heinous crimes due to lack of resources.
