

Submitter: John Masterman

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB78

This is the opposite of respecting private property rights. Anyone suffering the heartbreaking loss of their home should have the freedom to build whatever they want in its place. If it's your property and your home, you should have the decision making authority regarding what is built as a replacement. Keep the government out of our business and let us live our lives.
