Measure, Appointment or SB5521
Topic:

Please support full funding in the Oregon Department of Forestry's budget (SB 5521) for two critical PFA programs. The SFISH grant program for small forestland owners should be fully funded at \$10 million and the Adaptive Management Program designed to evaluate the effectiveness of the new rules should be fully funded at \$6 million.

I know the federal piece of this program will be hard to achieve, but Oregon must show the way to protect our forests.
