Hello,

I am writing in support of HB 3497 on the Multi-Sector Plan for Aging. In Tillamook County we have a significant number of citizens population reaching age 70 in the next few years. In my neighborhood the median age now is 75. We have a great deal of difficulty now finding in-home care providers for those who are homebound and disabled. Adventist Hospital here offers some palliative care and home visits, but will quickly become overloaded as the needs grow. Please pass this Plan to begin to more effectively address the aging care needs in our State.

Sincerely,
Narayan Lincoln
