Natural Resources

Measure, Appointment or SB5521  
Topic:

Please always vote for helping save our forests and the natural environment from any more destruction! Isn't it obvious by now that human beings are killing the planet out of ignorance and greed? Please Help Now: Preserve, Conserve, Restore & Protect at every chance you get for now and especially for the generations to come. Leave a legacy of wisdom for humankind to follow the world over towards better stewardship of our beautiful planet.
