

Submitter: Janet Downingstar
On Behalf Of: Kerby guild
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB3546

These data centers need to pay at least equal price for usage of power and any new transmission lines or power sources as well as water usages and make it part of the mandate that they cannot overuse water that could adversely affect the lives of Oregonians and the wildlife we are so fortunate to have as well as the health of our rivers and communities- only clean wastewater.
