

Submitter: George Wuerthner

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3501

I am opposed to this bill HB 3501. I want Oregon's rivers and waterways to be protected as required by the Oregon Sumpreme Court. Wildlife, Recreation and water quality should be the primary values protected in a river. Any other uses should be secondary and not impair the primary uses. HB 350l would allow our water to be degraded.
