

Submitter: Michael Gross

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3501

Esteemed Co-Chairs Helm and Owens,

Oregon's water resources are precious public assets, and I am writing in opposition to HB 3501.

Oregon should be doing more to protect the public interest in water right transfer decisions, not barring the state from considering impacts to fish and wildlife, water quality, and other public values.

I urge you to oppose HB 3501!

Sincerely,
